

INDUS STATE UNIVERSITY

Student Services

Fictional university knowledge-base document for AI/RAG chatbot testing.

Student Portal

- The student portal provides registration, fee information, attendance, results, notices, and selected academic services.
- Students should keep their login credentials secure and should not share passwords.

Identity and Documents

- Students can request eligible certificates and student documents through the appropriate office or portal.
- Bonafide certificate requests are handled through Student Services.
- Transcript and academic-record requests are handled through the designated academic or examination office.

Support Services

- Student Welfare Office assists with scholarships and selected student-support matters.
- Academic Office assists with registration and academic administration.
- Examination Office assists with examination forms, schedules, results, and revaluation.
- Accounts Office handles fees and payment queries.

Common Questions

- Where can I check attendance? Student portal.
- Where can I ask about a transcript? Academic or Examination Office through the designated request process.
- Who helps with scholarships? Student Welfare Office.
- Who handles fee issues? Accounts Office.
