Transfer Admission

- Transfer admission is available to eligible students subject to seat availability and academic review.
- Applicants should have successfully completed at least one semester at the previous institution.
- Applications require previous academic records and transfer-related documents.

Documents

- Transfer Certificate.
- Migration Certificate where applicable.
- Previous semester marksheets.
- Identity proof.
- Transfer application form.
- Recent photographs.

Credit Transfer

- Previously completed courses are reviewed for equivalence by the relevant academic department.
- Not every previous course is automatically accepted for credit.
- Students may be required to provide course syllabi or detailed course descriptions for credit evaluation.

Procedure

- Submit the transfer application.
- Provide academic records and required certificates.
- Pay the prescribed application fee.
- Complete document verification.
- Wait for academic and seat-availability approval.

Common Questions

- What is a Migration Certificate? It is a document used where required to support movement of a student's academic record between institutions.
- Will all previous credits transfer? No. Credit transfer depends on academic equivalence and departmental approval.
- Who evaluates credits? The concerned academic department.
